Mukurweini Technical Training Institute (“**the Institution**”, “**MTTI**” or “**We**”) utilizes a wide range of information and materials to enlighten people about the training services we offer. Among such materials is the use of images (still or moving) of people utilizing our services, and or taking part in activities that are associated with the Institution. This may include printed and electronic publications, video, audio, adverts, photo galleries, social media, and any other media we might use to promote the Institution in the future. We make use of these images for the purpose of promoting and marketing training services and facilities within the Institution.

These images, videos, audios and any other media referred here could be taken during the institute functions and activities, or submitted as evidence for portfolio of evidence (PoE), taken within the institute or outside the institute. This includes PoE evidence submitted by Recognition of Prior Learning (RPL) candidates.

Please note that on signing this form you are agreeing to the following terms and conditions:

- That without expectation of compensation or any other remuneration, now or in the future, I give my consent to MTTI to use my image as described above. The information provided in this form will also be used to show the Institution is compliant with the Data Protection Act, 2019. We will not pass the details recorded on this form on to any other organization, unless legally obligated, without your explicit consent. The contact information which you provide will only be used to reach you about the material you have given the consent for.
- I note that this may include use in print and electronic media, including the website and official social media platforms, and therefore accessible to recipients not within the locality of the Institution. I therefore consent to the collection, use and disclosure of my image, including disclosure to overseas recipients, as outlined. We will take all reasonable measures to prevent unauthorized access. In case of a data breach or unauthorized access, we will promptly notify you and take appropriate steps to remedy the situation.
- I waive any right to approve the finished product(s) or the advertising copy or printed matter that may be used in conjunction therewith or the use to which it may be applied. I also waive any right to any compensation in connection with the use of the image.
- I agree to indemnify MTTI against all claims, damages, and expenses, including reasonable advocate’s fees, arising out of the use of the image, including but not limited to claims for invasion of privacy, defamation, and copyright infringement.
- I have read and understood this form, and consent to the collection, use and disclosure of my image under the above conditions.
